

“PAINTING FOR THE PANTRIES”

West Jordan Women in Business is teaming up with That Paint Thing September 28, 2017 for an *exclusive night of painting* to raise funds for **Jordan Education Foundation’s Principal’s Pantries!**

Did you know that over 1700 needy children in Jordan District receive food weekly, and on weekends from their school’s Principal’s Pantry and over 400 students use the Principal’s Pantry on a daily basis? Principal’s Pantries provide food and necessities for hungry children in Jordan District who would otherwise go without due to personal, family and financial circumstances. **Jordan Education Foundation**, a nonprofit 501c3 charity dedicated to supporting the success and well-being of students in our district raises funds each year to stock and supply Principal’s Pantries in Jordan District.

100% of the proceeds from this event will be donated to Jordan Education Foundation, and will be distributed to Principal’s Pantries throughout the district.
